GRAND RAPIDS, Mich., June 06, 2019 (GLOBE NEWSWIRE) -- Today Steelcase and Moooi, innovative and provocative Dutch designers, announce plans for a new relationship in North America. Steelcase will offer designs from Moooi and Moooi Carpets, including carpets, lighting, furniture and accessories, to customers throughout North America. The collection will be available in the fall of 2019. The Moooi collection complements an extensive, growing Steelcase portfolio that gives customers easy access to more choices with delivery by the largest and most reliable dealer network in the industry.

"Our customers are looking for ways to make a statement. They want their workplace to reflect their brand and their values. Moooi understands that design shapes the culture and character of our environment," said Joel Schellhammer, vice president growth initiatives at Steelcase. Founded in 2001 by Marcel Wanders and Casper Vissers, and currently led by Marcel Wanders and Robin Bevers, Moooi is named after their native Dutch word for beautiful – the third 'o' in the brand name is symbolic of even more beauty and uniqueness. Moooi celebrates timeless objects of beauty which possess the uniqueness and character of antiques combined with the freshness of modern times. With carpets, lighting, furniture and accessories, Moooi creates interior environments decorated with an inspiring variety of patterns and colors to embrace any kind of space and make people of different ages, cultures and personalities fall in love with their environment.

"We're incredibly excited about this relationship with Steelcase that will bring the best of our iconic carpets, lighting, furniture and accessories to the contract market," said Robin Bevers, CEO of MOOOI. "Our products celebrate playfulness and now together with Steelcase, we will help designers create the unique work environments their clients demand."
